**SCALZO GROUP REAL ESTATE SERVICES
REVEALS 2006 PROJECT RESTORATION RECIPIENT**

(Bethel, CT – May 25, 2006) Paul Scalzo, President of Scalzo Group Real Estate Services, is pleased to announce that the Zowine family of Bethel, CT has been chosen as the 2006 recipient of Project Restoration.

Henry and Marjorie Zowine and their 3 children (Zachary, Ashley and Stephanie) face each day with smiles on their faces and joy in their hearts. They smile because they have another day as a family and are thankful for what they have. Zachary was diagnosed at 6 months old with neurofibromatosis that has since left him blind and deaf. Henry was diagnosed with the same condition 10 years ago and Ashley, a college student, 1 year ago. Through it all, they have struggled to keep up on the maintenance of their home and pay their mounting medical bills on Marjorie's sole income. In desperate need for the home to be made handicap accessible and with roof and plumbing repairs imminent, Marjorie submitted an application to be considered for the project. When Paul Scalzo appeared on her doorstep she was stunned to learn that they been chosen. "Oh my goodness, this is just too incredible to ever imagine could happen to my family" she said.

"The goal of Project Restoration is to renovate homes and rebuild lives for those who truly are in need and to give back to the communities we serve", said Scalzo. "Our companies and employees know the value of a good quality home and the impact that it has on a family in helping to support a stable and positive lifestyle. We can think of no better way to improve the day to day lives of the Zowine family than to renovate their home to improve their quality of their lives." Renovations are scheduled to take place in October.
