**SCALZO GROUP REAL ESTATE SERVICES
UNVEILS *PROJECT RESTORATION***

(Bethel, CT – May 10, 2005) **Scalzo Group Real Estate Services**, the Danbury area’s premier real estate services company, announced today the launch of **PROJECT RESTORATION** which brings together its entire organization, subcontractors, tradesmen and vendors to renovate a home for an area family that does not have the resources to do so on their own. “The breadth of our companies, the skills of our employees and our commitment to the community makes this project a natural choice for us. Our goal is to, through this project, renovate homes and rebuild lives for those who truly are in need and to give back to the communities we serve”, said Paul Scalzo, President of Scalzo Group Real Estate Services. “In combination with our very generous partners, we hope that this will be the first of an annual project”, added Scalzo.

To be eligible, applicants must reside in the Greater Danbury area, own their own home and be able to show financial need. Applications are being accepted through 5:00 PM on June 3rd and can be obtained at the City of Danbury Department of Welfare and Social Services, 254 Main Street in Danbury. Applications will then be reviewed by the project Site Selection Committee and the homeowner chosen will be revealed in July.

Since 1986, Scalzo Group Real Estate Services has been providing residential and commercial real estate, construction, relocation, property management and mortgage solutions to northern Fairfield and lower Litchfield counties.
