**SCALZO GROUP REAL ESTATE SERVICES
REVEALS PROJECT RESTORATION RECIPIENT**

(Bethel, CT – September 1, 2005) **Scalzo Group Real Estate Services**, the Danbury area’s premier real estate services company, is pleased to announce that Eileen Hollerbach of Bethel has been chosen as the 2005 recipient of **PROJECT RESTORATION**. A single mother of three, Eileen has worked hard to support her family and keep up with the maintenance on her 40+ year old home. With electrical problems, mold issues and roof repairs desperately needed, Eileen submitted an application to be considered for Project Restoration. When Paul Scalzo, President of Scalzo Group Real Estate Services, appeared on her doorstep she was expecting that he and his Steering Committee would be revisiting her home before making a final decision. She was stunned to find out that she had been chosen. “I am so shocked, this is just too wonderful to ever imagine could happen to my family” she said.

“The goal of **Project Restoration** is to renovate homes and rebuild lives for those who truly are in need and to give back to the communities we serve”, said Paul Scalzo, President of Scalzo Group Real Estate Services. “Our companies and employees know the value of a good quality home and the impact that it has on a family in helping to support a stable and positive lifestyle. We can think of no better way to provide a bright future for the Hollerbach family than to renovate their home to improve their quality of life.” Renovations are scheduled to take place in October.

Since 1986, Scalzo Group Real Estate Services has been providing residential and commercial real estate, construction, relocation, property management and mortgage solutions to northern Fairfield and lower Litchfield counties.
